

**CONDITIONS FOR WEEKLY CARE
YEAR 2010-2011**

(Effective 04 October 2010)

The goal of the Wright-Patterson AFB Child Development Program is to provide the highest quality care for your child (ren) at the most reasonable cost possible. To ensure expenses are kept to a minimum, the following procedures have been developed:

1. Parent fee ranges are established yearly by DoD and fees (nine categories) are approved at base level prior to implementation. Placement in one of the nine categories is based on total family income as defined by the latest guidance published by DoD. Fees will be changed no more than once per year pending any required bargaining procedures or special circumstances as determined by the Installation Commander or designee.
2. Fees are computed for ten hours of care per day and 50 hours of care per week including meals and snack. If care is provided for more than ten hours per day (official duty only), an hourly equivalent of the weekly fee will be charged. Use of the facilities for more than 10 hours per day on a regular basis must be approved by the Mission Support Group Commander or designee in writing and in advance. The new Air Force policy will provide a discount for families who have multiple children enrolled in CDC or SAP. The family will pay the full fee for the first child (highest rate). Other children from the same family enrolled in the program will each receive a multiple child discount of 10%. No credit is given for federal/local holidays, when the program is closed due to unforeseen circumstances such as inclement weather or facility problems, absences due to illnesses, TDYs, behavior problems, vacations or hours not used. Fees are used to pay staff salaries.
3. Current HQ USAF/A1S policy requires individuals who utilize Youth and Child Development programs to provide a credit card number and/or debit card number authorization and have this card charged if they fail to make payment in accordance with their payment agreement. The credit card and or debit card on file will be charged for the full amount owed according to one of the following payment plans chosen in your Credit Card Auto pay Authorization agreement: Families may continue to make payments on their payment accounts as stated in their payment agreement, or Families may have payments automatically debited on their payment due date.
4. Four fee payment options are available (see page 2 for details.) When signing this agreement, the fee payment option selected will be enforced for the duration of this agreement. Payments may be made by cash, check, and club card, credit card (Visa and MasterCard) Credit Card Auto pay Authorization or EFT when available. Clients will have 2 business days to make their payments. After 2 days, a \$5 late fee per day, per child, will be assessed for up to 2 business days past the due dates. If the fees and late charges have not been paid by this time, care will not be provided until the total debt has been paid in full.
5. Patrons may sublet their spaces if the absence will be at least one week (M-F). The person that you sublet to must be eligible for care on base. The Resource and Referral Coordinator may have information on interested customers who wish to sublet your child's space, but it is your responsibility to find someone to sublet your slot when you are absent. You may contact the Coordinator at 257-2644.
6. AF requires termination of services within a reasonable time to families where one or both parents are no longer employed if a waiting list for care exists. Exceptions to this policy are for full-time students (as defined by Air Force policy) and those parents who can show proof of actively seeking employment. Parents must notify their center if a change in employment occurs. Parents who are no longer working must provide proof of full-time enrollment in a college (12 semester hours), trade school, etc., or they are actively seeking employment (job search records, letters from potential employers confirming interview, etc.) If proof is not provided within two months from loss of employment and a waiting list for care exists, child care services must be terminated. Parents are required to notify the center if their eligibility status changes.

7. Closing hours are posted in each facility. A late fee of \$1.00 per minute will be charged when children are picked up after facility closings. Late fees must be paid at time of pick-up.
8. A two week notice in writing is required prior to withdrawing the child (ren) from weekly care. Additional weekly fees may be charged if sufficient notice is not given and this amount may be referred to the NAF Accounting Office for collection. Refunds are provided if sufficient withdrawal notice is given.
