RESOURCE AND REFERRAL

The mission of Air Force Child and Youth Programs is to assist DoD military and civilian personnel in balancing the competing demands of the accomplishment of the DoD mission and family life through delivery of a system of quality, available and affordable programs and services for eligible children and youth birth through 18 years of age.

ELIGIBILITY

Child care eligibility is contingent on the status of the sponsor. Eligible patrons include active duty military, DoD civilian employees either NAF or APF, Air National Guard or Air Force Reserve military personnel on active duty or inactive duty training status, active duty Coast Guard members, combat related wounded warriors, surviving spouses of military members who died from a combat-related incident, those acting in loco parentis for the dependent child of an otherwise eligible patron, eligible employees of DoD contractors, and others may be authorized on a space available basis.
